1. The following is an examiner's statement of reasons for allowance: Applicant's amendment has corrected the 112 problems, and canceled claims 12-22, effectively removing any rejections based thereon. The certified translations appear to adequately teach the limitations in claims 1-11, thus providing the effective filing date of 2/28/2000 and removing Warnecke as a prior art reference, hence the rejection based thereon. The terminal disclaimer has been approved, thus overcoming rejections based 6,575,130 & 6,303,897 to the owner of the present application.

Other art of interest, but not prior art include Feikus (6,797,916 B2) also assigned to VAW Aluminum, and Allen (2004/0099644 A1), who is laser treating cylindrical substrates of interest.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
